NATIONAL FLOOD ASSOCIATION CONFERENCE

Linda, Marci & Dani just attended the first in person conference since 2019! It was wonderful to be able to meet in person again! We were joined by many lenders, insurance companies and FEMA. There were some great panel discussions that are hard to have over Zoom. We heard updates on Risk Rating 2.0 and Flood Insurance Regulations and Reform. We also heard an update from the Office of the Flood Insurance Advocate. This office advocates for the fair treatment of policyholders and property owners by:

- Providing education and guidance on all aspects of the National Flood Insurance Program (NFIP)
- Identifying trends affecting the public
- Making recommendations for NFIP improvements to FEMA leadership

Their website is: <https://www.fema.gov/flood-insurance/advocate> and we will also put links to their site and videos on our website.

FUN FACTS ABOUT APRIL!

Holidays and Observed Dates of the Month include:

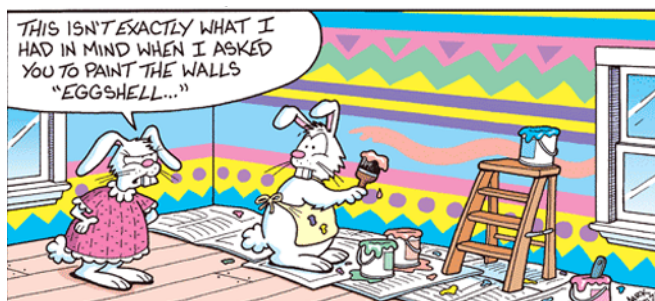

- We all know April Fools' Day is 4/1/22 but did you know the official time to stop with the practical jokes is at 12pm local time? Some say if you break this rule it will cause bad luck for the month!
- Easter 4/17/22 - Did you know the reason this date can change so much is because it is celebrated on the first Sunday following the full Moon that occurs on or just after the spring equinox. Because of this, it is possible to have Easter in March!
- Earth Day 4/22/22 - This celebration started in 1970 to spread awareness about our effects on the environment. This inspired the creation of the EPA, Clean air, Clean Water, and Endangered Species Acts. It is recognized by over 1 billion people across over 190 countries! Be sure to celebrate our Earth and be conscious of the environment for the 52nd official Earth Day!
- Arbor Day 4/29/22 - Arbor Day is all about planting trees! The Arbor Day Foundation was founded in 1972 to celebrate the 100th anniversary of the holiday. The nonprofit conservation group distributes over 10 million trees every year. Today, at least 44 countries worldwide celebrate Arbor Day each year.
