FUN FACTS ABOUT JULY!

- July's full Moon, occurs on Monday, July 3, after sunrise—but it will still be spectacular at night! Plus, it's the biggest & brightest supermoon of the year.
- Thomas Jefferson and John Adams, the 2nd and 3rd US presidents, both died on July 4th, 1826. We doubt there was much celebrating on those Independence Days!
- July is Junk Food Month! It's no surprise that July, with all the travel, BBQs, and celebrating lays claim to National Ice Cream Month, National Chocolate Month, National French Fry Month and National Hot Dog Month!

Farmer's Almanac Prediction:

Folklore for the Season

- Ne'er trust a July sky.
- If ant hills are high in July, the coming winter will be hard.
- As July, so next January.
- No tempest, good July, Lest the corn look ruely.
- Whatever July and August do not boil, September can not fry.
